

Summer Reading Assignment

1st Grade to 2nd Grade

Hello parents. Attached you will find a reading log to keep track of the reading your child does during the summer. 2nd grade teachers are asking that your child read 10 books throughout the summer. The books can be chosen at your discretion but should be on or near 2nd grade level. Please encourage your child to space out the books that they are reading. In other words, do not read all noted books at the beginning of the summer or save them all and read them the last week before school starts again. Spreading out the reading throughout the summer will better ensure that your child's reading fluency and comprehension continues to stay strong throughout the summer. Below we have listed a few websites with reading lists appropriate for 2nd graders. These are just a guide to help you if you are having a difficult time selecting books for your child. Thank you so much for your attention to the continued reading success of your child. We look forward to seeing you next year!
