

6th Grade Summer Reading Project

June 2022

Part 1: Literary Mystery

Click [here](#) to access the literary mystery.

You have two options for completing the literary mystery:

- 1) **Print off the slides:** You can print off these slides and complete them on paper. These will be turned into me on the first day of school.
- 2) **Complete them on Google Slides:** You may complete these slides on Google Slides. In order to do this, **you must make a copy of the slides** (“File”, “Make a copy”). These slides must be shared with my email to be considered complete. My email is: hfulwider@cdobcs.org

Part 2: Novel + Summary

You must read one novel of your choice. This novel **must be at a 5.5 grade point level or higher.** It is up to you which genre or topic.

If you need to check the grade level of the book, please use this website: [AR Book Finder](#).

When you have decided what novel you are going to read, **you must email me (hfulwider@cdobcs.org) to get approval.**

Once you have read your novel, you need to write a summary of the book. **This can be done on paper or on Google Docs and shared with me.**

The summary must...

- Be at least 10 sentences long
- Include a summary of what the book is about
- Identify a main character and discuss their character traits
- Identify the theme of the novel

Looking forward to a great year! Please let me know if you have questions.

-Ms. Fulwider
