

Summer Reading

1st grade to 2nd grade

This summer, students entering 2nd grade will need to complete a summer reading log. Your child should read 10 books throughout the course of the summer and write a short summary about each book. The books can be chosen by your child, but should be at 2nd grade level or above. Please space the books out through the summer. Do not have your child read all 10 books at the beginning of the summer or wait until the last week before school starts. Spreading the books out will help your child's reading fluency and comprehension stay strong throughout the summer. Thank you for your support and help with this!

Below are websites with suggested 2nd grade books to choose from.
