

The 3 R's of Summer...

May 22, 2025

Welcome to 1st Grade! Summer is an excellent time for children to explore new ideas and to continue to grow as readers and writers. Parents and family members play an important role in building successful readers. Summer reading is vital to your child retaining and building the skills he or she has learned during the past 9 months of Kindergarten. Most importantly, this is a time for children to engage their imaginations, find amusement in books, and to learn to love reading.

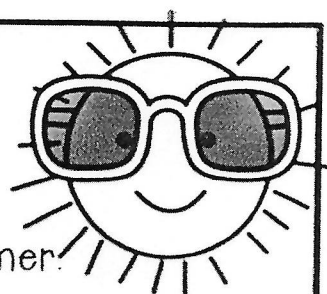

During the summer, each incoming 1st grader is encouraged to read a **minimum of ten** books. Challenge your child this summer and help them fill out the summer book form inside their Summer Packet, along with a review packet to work on over the summer.

Upon returning to 2025-2026 school, **your child will be expected to turn in their completed** Summer Packet for First Grade. Remind your child to take a book along with them and practice reading, handwriting, and sentence structure in a journal.

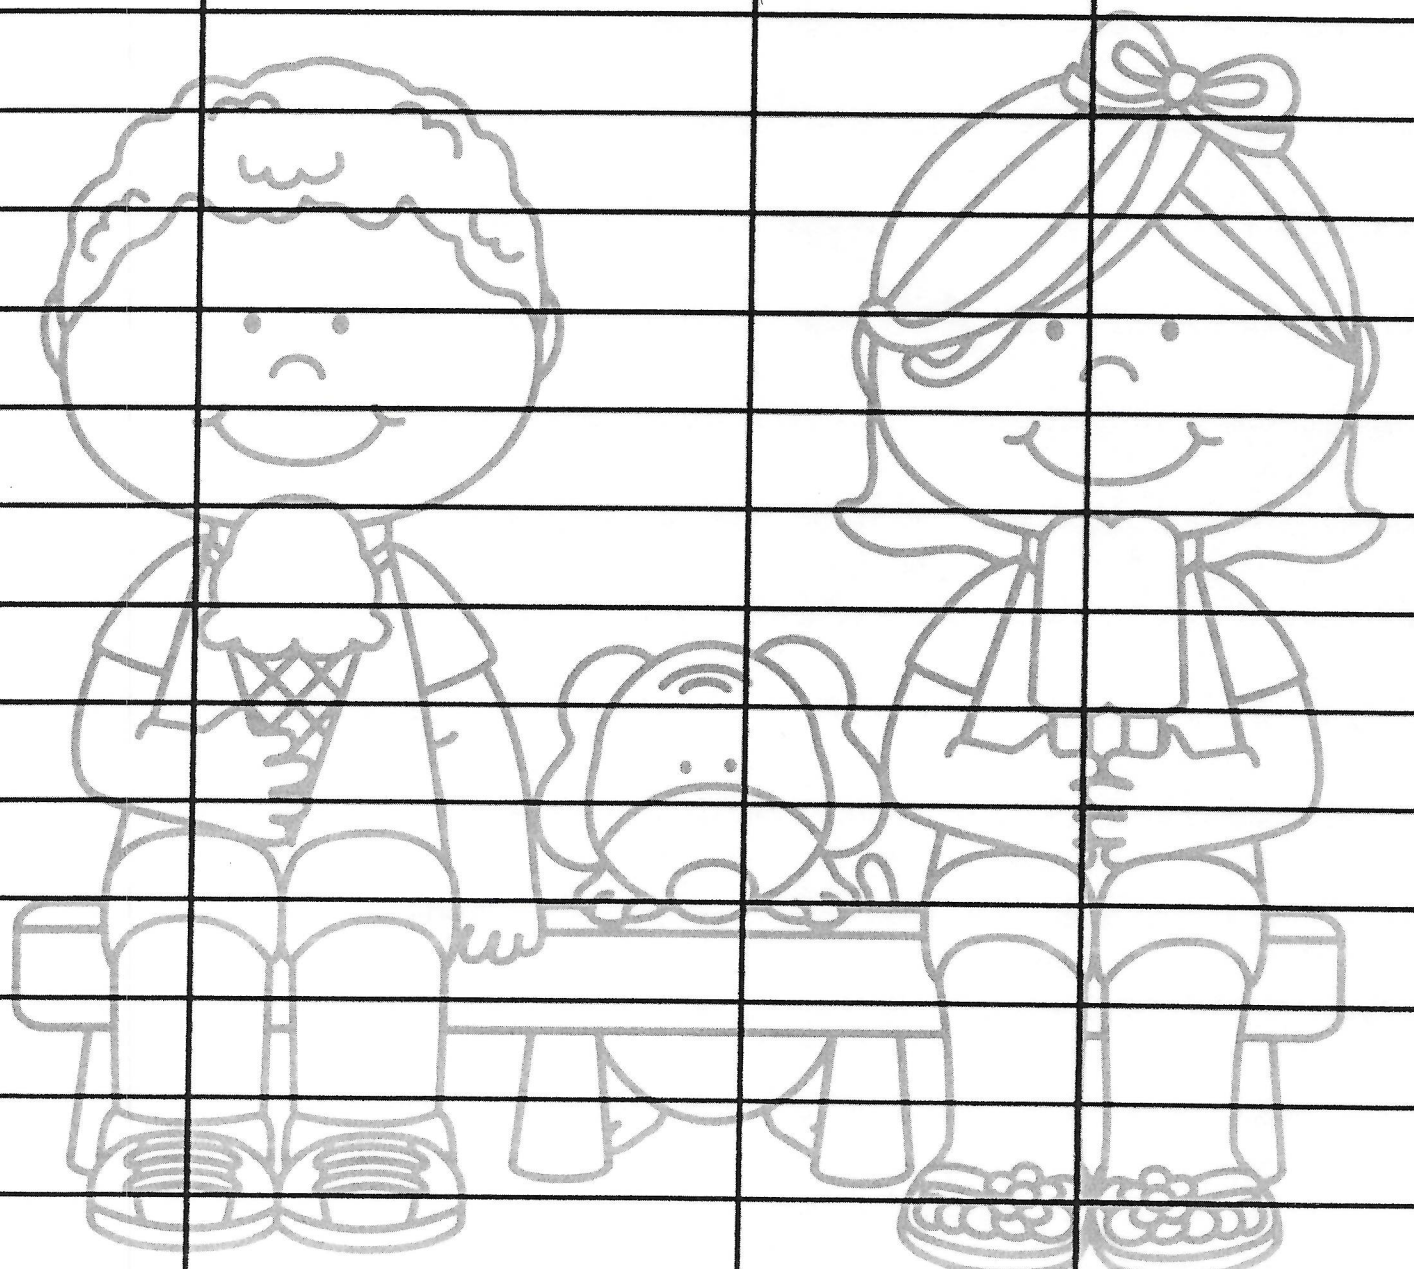

We look forward to seeing you back at OLSS! Have a safe and enjoyable summer!

May God Bless You,

First Grade Teachers

Bring it to your new teacher next school year!
